FINANCIAL UNDERSTANDING FORM FOR BROKEN APPOINTMENTS

Dear Patient,

In order to render quality care for you dental needs, we have to commit the doctor's time for you. Please take only those appointments which you can keep.

Should you break your appointment without at least 24-hour notice, we will be unable to appoint another patient in your place. In this case, there will be \$50.00 fee for every half-hour of broken appointment time on weekdays. For Monday appointments, please call on the Friday before.

Thank you for your anticipated cooperation.
